County in processing the ~~applicant's~~ Franchisee's and/or proposed transferee's request for ~~consent to sale, transfer, transfer of stock, assignment, lease, hypothecation or trust of franchise.~~ Such costs may include the costs incurred for hiring consultants to assist in evaluating the application. Such costs shall be paid by the Franchisee applicant and the proposed transferee prior to final consideration of the request by the ~~Director, CAO~~ or the Board, as applicable.

During such time as the fFranchisee's operations and rates for transportation are considered to be subject to the provisions of Ssection 6231.5 of the Public Utilities Code, the consideration shall be calculated pursuant to said section or other maximum amount permitted by law.

A. As consideration for the franchise granted, the Franchisee shall pay annually in arrears, on or before the following April 15th, for each year during the life of the franchise ("fee payment date"), ~~including the year of granting the franchise, to the County of Los Angeles, in lawful money of the United States, an annual~~ a franchise fee

computed annually ("annual franchise fee") pursuant to Section 6231.5 of the Public Utilities Code, computed as follows:

The length of pipe expressed in feet located within the franchised service area(s) described in Section 1, shall be multiplied by the applicable base rate, in accordance with the following schedule pursuant to section 6231.5 of the Public Utilities Code:

Pipe size (internal diameter in inches)	Base rate per lineal foot
0-4	\$0.088
6	0.132
8	0.176
10	0.220
12	0.264
14	0.308
16	0.352
18	0.396
20	0.440
22	0.484
24	0.528

26	0.572
28	0.616
30	0.660

For pipelines with an internal diameter not listed above, the fees shall be in the same proportion to the fees of a 12-inch-diameter pipe as the diameter of the unlisted pipe is to 12 inches.

B. The total amount of the annual franchise fee payment calculated according to the applicable base rate for each lineal foot of pipeline ("base annual fee"), shall be computed and revised each calendar year, including the year of granting this franchise, as follows:

The applicable base rate shall be multiplied by the "Consumer Price Index for all Urban Consumers ("CPI-U") for the Los Angeles-~~Anaheim~~-Riverside-Orange County California Metropolitan Area (1982-84=100), All Items", as published by the United States Department of Labor, Bureau of Labor Statistics/Office of Information ("Bureau"), for the month of September immediately ~~preceeding~~preceding the month in ~~which payment is due and payable~~fee payment date, and divided by the ~~Consumer Price Index for~~CPI-U as it existed on June 30, 1989 (i.e. 128.7), which is declared to be 100. For example, if the CPI-U in September is 188.2, the annual franchise fee shall be one hundred and eight-eight and 2/10th percent (188.2%) times the base annual fee, provided however, Under no circumstances shall the multiplying factor be less than

one, nor shall the annual franchise fee calculated using said factor be less than the base annual fee.

2. If the ~~United States Department of Labor, Bureau of Statistics/Office of Information Bureau~~ discontinues the preparation or publication of a ~~Consumer Price Index~~ CPI-U for the area, and if no translation or transposition table prepared by the ~~Department of Labor Bureau~~ is available so as to make those statistics which are then available applicable to the ~~index of~~ CPI-U as it existed on June 30, 1989, then the amount of each annual franchise fee shall be computed by reference to such other price index as may be chosen by the County of Los Angeles shall prescribe a rate of payment which shall, in its ~~judgement~~ judgment, vary from the rates specified in Public Utilities Code Section 6231.5 in approximate proportion as then-current commodity consumer prices ~~then-current~~ vary from commodity consumer prices current in December 1988. The County shall be the sole judge of comparability of successive indices and its determination on this point shall be final and conclusive. In no event shall the amount of the annual franchise fee payment calculated according to the base rate and adjusted by reference to such other price index, be less than the "base annual fee" as set forth ~~herein~~ in Section 2.A.

C. In addition to the foregoing annual payment, the Franchisee shall also pay:

1. ~~Pay to~~ The County Department of Public Works, within sixty (60) days after the end of each calendar year, for each year of the life of the franchise, an

D. In the event Section 6231.5 of the Public Utilities Code ~~no longer is~~ceases to be applicable to any of the ~~Franchisee's~~ pipelines, operations ~~and/or~~ transportation rates, the County reserves the right to charge the ~~Franchisee~~ the rates then currently charged ~~under Title 16, Division 3A, of the Los Angeles County Code, entitled "Pipeline Franchises".~~ by the County for similar proprietary pipelines or the maximum amount permitted by law, whichever is greater.

E. In the event Section 6231.5 of the Public Utilities Code is no longer applicable to the franchise ~~granted herein, the foregoing annual payment required in Sections 2.A and 2.B., supra, may be changed at five year intervals from the date~~ ~~Section 6231.5 of the Public Utilities Code is no longer applicable. Franchisee shall meet the following indemnification, insurance, and bonding requirements:

(e) Show the Franchisee's insurance as primary to the County's insurance and self-insurance programs. This may be evidenced by adding a statement to the additional insured endorsement required in subsection (d), stating "It is further agreed that the insurance afforded by this policy is primary to any insurance or self-insurance programs maintained by the additional insureds and the additional insureds' insurance and self-insurance programs are excess and non-contributing to Named Insured's insurance."

2. The County reserves the right to require copies of Franchisee's insurance policies at County's request.

Such coverage shall be in an amount and form to meet all applicable state and federal requirements but in no event less than five million dollars (\$5,000,000) per occurrence.

i. If written with an annual aggregate limit, the policy limit should be three (3) times the above-required occurrence limit.

ii. If written on a claims-made form, such insurance shall be endorsed to provide an extended reporting period of not less than two (2) years following termination or cancellation of this franchise.

6. Workers' Compensation: A program of Workers' Compensation insurance in an amount and form to meet all applicable requirements of the Labor Code of the State of California. Such policy shall be endorsed to waive subrogation against the County for injury to the Franchisee's employees. If the Franchisee's employees will be engaged in maritime employment, the coverage shall provide the benefits required by the Federal U.S. Longshoreman and Harbor Worker Compensation Act, Jones Act, or any other federal law to which the Franchisee is subject. In all cases, the above insurance shall include Employers Liability insurance with not less than:

(a) Each accident: one million dollars (\$1,000,000).

(b) Disease-policy limit: one million dollars (\$1,000,000).

(c) Disease-each employee: one million dollars (\$1,000,000).

D. Franchisee shall furnish the CAO, Real Estate Division, at the location specified in subsection 5.C.1, within thirty (30) days after the adoption of this ordinance, and the expiration date of each term of insurance, either certified copies of the policies required by subsection 5.C or a certificate of insurance for each of said policies

executed by the Franchisee's insurance agent, or by the company issuing the policy, certifying that the policy is in force.

E. As an alternative to commercial insurance from Franchisee, the County may consider and approve, at the County's sole option, Franchisee's use of a program of self-insurance or self-insured retention, upon review and approval of the following:

1. An agreement to provide the County and the County's agents with indemnification in accordance with subsections 5.A and 5.B. The County shall be provided at least the same defense of suits and payments of claims as would be provided by the first dollar of commercial insurance.

2. A formal declaration to be self-insured for the type and amount of coverage indicated in this ordinance. This can be in the form of a corporate resolution or a certified statement from an authorized principal of the Franchisee. Franchisee must notify CAO Real Estate Division, at the location specified in subsection 5.C.1, immediately of discontinuation or substantial change in the self-insurance or self-insured retention program.

3. An agreement to notify the CAO immediately of any claim, judgment, settlement, award, verdict, or change in Franchisee's financial condition which would have a significant negative effect on the protection that the self-insurance or self-insured retention program provides to the County.

4. The name, address, and telephone number of Franchisee's legal counsel and claim representative, respectively, for the self-insurance or self-insured retention program.

5. Upon request by CAO, an audited financial statement that gives evidence of Franchisee's capacity to respond to claims falling within the self-insurance or self-retention program. Resubmission of such a statement may be required annually for the duration of the franchise, or more frequently at the request of the CAO.

6. A Certificate of Consent to Self-Insure issued by the State of California, Department of Industrial Relations certifying Franchisee's compliance with the requirements of the Director of Industrial Relations under the provisions of the Labor Code of the State of California (sections 3700 to 3705, inclusive) and certifying Franchisee has furnished satisfactory proof to said Director of Franchisee's ability to self-insure and to pay any compensation that may become due to Franchisee's employees.

7. Failure on the part of the Franchisee to comply with the County's requirements for approval of a program of self-insurance or self-insured retention will result in withdrawal of the County's approval to self-insure.

F. Within thirty (30) days after the adoption of the ordinance granting this franchise, Franchisee shall provide to the CAO, at the location specified in subsection 5.C.1, a faithful performance bond in the sum of not less than fifty thousand dollars (\$50,000) payable to the County of Los Angeles and executed by a corporate

surety acceptable to the County and licensed to transact business as a surety in the State of California. Such bond shall be conditioned upon the faithful performance by the Franchisee of the terms and conditions of this franchise and shall provide that, in case of any breach of condition of this franchise, the whole amount of the penal sum, or any portion thereof, shall be deemed to be liquidated damages, and shall be payable to the County by the principal and surety(ies) of the bond.

1. Throughout the term of this franchise, Franchisee shall maintain the faithful performance bond in the amount specified herein. Within ten (10) business days after receipt of notice from the County that any amount has been withdrawn from the bond as provided in this section, Franchisee shall restore the bond to the amount specified herein.

2. The faithful performance bond shall continue to exist for one (1) year following the CAO's approval of any sale, transfer, assignment, or other change of ownership of the franchise, or of the expiration or termination of the franchise. The CAO may release said bond prior to the end of the one (1) year period upon satisfaction by Franchisee of all the obligations under the franchise.

3. At its sole option, the County may accept certificates of deposit, cash deposits, irrevocable letters of credit, or U.S. Government Securities in lieu of or in addition to commercial bonds to meet the above bonding requirements. Such alternative security shall be made payable to the County and shall be deposited with the County's Auditor-Controller and/or Treasurer Tax Collector, as applicable.

G. The types and amounts of said insurance coverage and bonding shall be subject to review and adjustment by the County, at County's sole discretion, at any time during the term of the franchise. In the event of such adjustment, Franchisee agrees to obtain said adjusted insurance coverage and bonding, in type(s) and amount(s) as determined by the County, within thirty (30) days after written notice from the County.

H. Failure on the part of Franchisee to procure or maintain the required insurance and bonding, or to provide evidence of current insurance and bonding, shall constitute a material breach of the terms of this franchise upon which the County may immediately terminate or suspend this franchise.

I. It is the obligation of Franchisee to provide evidence of current insurance policies and bonding. Any franchise operations shall not commence until Franchisee has complied with the provisions of this Section 5, and any operations shall be suspended during any period that Franchisee fails to maintain the insurance and bonding required hereunder.
